BIO:

It's no accident that Terry is one of the most sought after speakers in Australia and New Zealand and increasingly the Globe, for her dynamic, enthusiastic and memorable presentations. Her speciality is PEOPLE. Terry knows how to give her audience a great time while they learn strategies that can change the way they look and feel about life forever!. She's is one very funny lady and has a gift for connecting people from every walk of life to allow delivery of a high impact, hilarious and thought provoking presentation. She takes the complicated and makes is so simple to understand that it seems like magic.

Terry is a successful author and well established business woman. Her training company People in Progress was founded in 1988 and 20 years later continues to be the leader in the delivery of high impact, results based learning. Terry has personally trained over 100,000 people in the business sector and knows what works and what doesn't when it comes to learning. She's a pioneer in developing leading edge programmes and presentations that support teams and business in finding their gap and achieving goals.

Testimonials:

Wow , what can I say! Terry Hawkins is absolutely fantastic!!! This woman is the most amazing and inspiring speaker I've ever listened to. Her presentation and delivery and energy are second to none. She made us roar with laughter, question our beliefs, challenge ourselves, shed a few tears, but most importantly stretch our horizons and believe in ourselves. Her message is so powerful and yet so simple. I can highly recommend her. Rex Ward, **CEO, Century 21**
